2018	\$81,326.79
2019	\$80,209.20

(1 Year Prior to Fitness Rooms/Pool Renovation Completion)

SUMMARY

2019 was a very productive year for our Recreation Department. We have continued updates at Shuford Recreation Center with the addition of our new indoor and outdoor ADA accessible restrooms. We have recently converted the Civic Building to a storage facility and added a new meeting room in the main building at Shuford Recreation Center for our civic groups, Recreation/Town meetings, our senior cards group, and art club. We are continuing to work on future capital improvement projects and are looking forward to re-applying for the 2020 PARTF grant. Our athletic programs are thriving like never before, and our staff continues to work hard on utilizing our facilities to keep up with the growth of athletic participation. I would like to thank the manager, the mayor, and the council for their continued support of recreation facilities and programs. Our Parks and Recreation Department staff will strive to provide the best programs, activities, and continue to improve our facilities to make the Granite Falls Parks and Recreation Department second to none.
